Subject : Protocol

TO THE EMBASSY OF THE HASHEMITE KINGDOM OF JORDAN,

Atılım University extends its regards to the Hashemite Kingdom of Jordan, and your Embassy in Ankara. Firstly, we would like to mention that Atılım University is pleased to offer education to successful student-citizens of Jordan.

In order to broaden the mutual collaboration protocol that has been in place, Atılım University has resolved in offering full scholarships to 2 students to pursue their Graduate Degree education, and full scholarships to 2 students to pursue their Doctorate Degree education; all of whom shall be referred by your party, for the Academic Year of 2023/2024. We would like to inform you that the candidates to receive the full scholarships in question are required to be accepted by our relevant department(s), and meet the English language proficiency conditions of Atılım University. Within the framework of our previous contract, we will be continuing to offer 25% scholarships to students from Jordan (excluding the Medical School).

This protocol shall continue as long as Atılım University remains recognized by the Hashemite Kingdom of Jordan.

Yours Sincerely,

Prof. Dr. M. Yildirim ÖZTÜG

Dear Ms. Buthaina Al-Share,

I hope you are fine and everything is ok.

We really appreciate your efforts to increase collaboration between Jordanian and Turkish higher education institutions.

Although we have sent a comprehensive protocol concerning the collaboration issues between Jordanian Embassy and Atılım University, we want to clarify scholarship opportunities for specific departments.

Atılım University is proud to announce Jordanian students these scholarship opportunities in 2023-2024 Fall semester.

Dear Ms. Buthaina Al-Share,

We are deeply affected for Jordan Embassy's Intention to collaborate with Atilim University. As we have informed you earlier via official letter and emails, we want to determine the departments for fully funded scholarships from Jordan.

In Master's programs we plan to provide 100% scholarships to MBA and Software Engineering programs.

In Ph.D. programs, we want to provide 100% scholarships to Business Administration and Chemical Engineering programs.

As we have mentioned earlier, Jordanian candidates should be accepted by the department and should satisfy English proficiency requirements of our University in order to be eligible for these scholarships.

Yours Sincerely,

M. Hasan Atasoy
